

ELECTRONIC NSE INTERFACE FOR TRADING MEMBERS (ENIT)

USER MANUAL FOR TRADING MEMBERS

NSEIL EXCHANGE PLAZA PLOT NO. C/1, G BLOCK BANDRA-KURLA COMPLEX BANDRA (E) MUMBAI 400 051

1-JANUARY-2012

COPYRIGHT NOTICE

All rights reserved. No part of this document may be reproduced or transmitted in any form and by any means without the prior permission of NSEIL.

1. Introduction

ENIT or 'Electronic NSE Interface for Trading Members' is a fully electronic, internet enabled application. This interface provides a two way mechanism for exchange of information for various processes between the Trading Members and the Exchange.

This document explains the functionality available in ENIT and serves as guideline to users for using the application.

1.1 Scope

The scope of this manual includes.

- Navigation
- Administrator/User creation
- Details of various modules available in ENIT

1.2 Audience

This manual is for use by trading members who will use the system.

1.3 Abbreviations and acronyms

Acronym Abbreviations	&	Full Form
NSEIL		National Stock Exchange of India Limited
ENIT		Electronic NSE Interface for Trading Members

1.4 Software Requirements:

ENIT can be accessed through the integrated member portal which is best viewed with IE versions 6 & above. Integrated Member Portal is not compatible with Firefox Mozilla browser.

1.5 Login Module

Users are authenticated on connecting to the Member Portal application > ENIT. Authentication is on the basis of unique User id, Member code, Password, captcha validation. On successful authentication, the user would be provided with list of menu options depending on user login type.

If wrong password is entered more than 3 times, the user id will get locked. To reset the password, the user has to login with the 'Admin" user id and reset the ENIT password. However, entering of wrong captcha is not considered as an invalid attempt.

User details have to be entered here. Length of User ID can be maximum upto 15 characters. Mandatory fields are User id, name and password. The password should follow the below mentioned rule

- 1. Minimum length 8.
- 2. At least a number
- 3. At least a Special character
- 4. At least a Lower case alphabet
- 5. At lease a Upper case alphabet

2. ENIT - Getting Started

ENIT application has been divided into ENIT-Compliance, ENIT- Affiliates, ENIT-Service request and ENIT- Trade. With a valid User id and password, a sub-user would be able to access all the roles assigned to him with a single sign on. After clicking on ENIT-Service Request, all the modules for which the access is granted by the admin user to the ENIT sub user will reflect on the left hand side of the screen.

Various menus are displayed on the left hand side of the screen on the ENIT home page. The home page displays member information viz. member details, registered office, corporate office, Managing Director/ CEO details, Compliance officer details, Office details and Sub Broker details.

3.1 User Requests - This module pertains to the application for NEAT user Id requests. The member can apply for following type of user ID requests through this module:-

- Request for New User
- Change User Name
- ➢ Shifting of User ID
- Disable User ID
- Double Lock User ID
- Change User Status
- Enable/disable SLBM

The above mentioned requests can be submitted to the Exchange;

- a) With Digital Signature Request can be submitted to the Exchange using digital signature. No physical documents need to be submitted to the Exchange.
- b) Without Digital Signature Request can be submitted to the Exchange without digital signature. Physical documents need to be submitted to the Exchange for further processing.
